

1. Communication

The event organizer will communicate all official updates via a dedicated Windobona Days WhatsApp group. This group is strictly for one-way communication from the organizer.

For any inquiries, participants must contact windobona.skydiving@gmail.com or sportflyer@windobona.es. Personal messages to coaches or the organizer may not be answered.

2. Event Overview

Windobona Skydiving Days/Light is designed to provide a high-quality skills camp with medium-sized groups to maximize learning and progression.

- The event features **professional coaches, high-performance aircrafts, ideal altitude, and a professional dropzone with a bar and restaurant on the dz or very near, open every day.**
 - Coaches will assess each participant's skill level and tailor coaching accordingly.
 - Participants will be grouped with five other flyers based on experience and personal goals.
 - Coaches have **full authority** to reassign participants to different groups if deemed necessary for safety and progression.
 - Each group has a dedicated coach who rotates daily.
 - The daily goal is **6 jumps per participant**. More if possible.
 - The groups will be pre-manifested every morning for the full day so make sure to be there on time to not miss out the days jumping. Missing skydivers will lose the ticket for the rest of the group to keep on jumping. If additional time permits, participants may self-manifest for extra jumps with or without a coach. But the group must be complete
-

3. Arrival & Check-In

- Upon arrival, participants must check in at **manifest** for gear inspection (if required). Unchecked or unready gear will result in a grounding, and missed jumps **will not** be refunded.
- All participants must check in with the event organizer or a coach.
- Group assignments will be displayed on a designated board each morning.
- A **mandatory welcome briefing** will be held each morning. Daily updates will be shared in the WhatsApp group.
